

LEGEND

(OTTB) Off Track Thoroughbred
DOB 2018

Owner: Stephanie Smith-Zaruba

Legend joined the herd in December 2025. Legend was born in Kentucky, then raced for two years. He started 18 times and won 15 of those races. He ended up in Colorado after he was retired from his racing career. When race horses retire they can have a difficult time adjusting to "normal life". They lose a lot of muscle tone and have to relearn how to live in a herd. To cope with the stress of change they can develop unusual habits. Legend is actually a very sweet boy with a big heart and loves learning new things.
